Come on, mayor! You still have a trolley up your arse about that ONE time I tried to toss your city into the sky?
Well, I guess that was YOU I was trying to hurl into space.
Okay. Going to assume that's still an issue. Well, hey you have a bigger one lately. That infestation... of a human kind!

Topsy.

I have told you time and time again. There are no humans residing within my city streets.

Only toons live in Rorshaw, and that's the way it . . .
Topsy. Stop.

Stop what? You know what I can stop? Those humans from mucking about in your city!

THERE ARE. NO HUMANS.
RESIDING.
IN RORSHAW!
Fine. It will be more fun this way with that stubborness.
